

MRC
MILTON ROSS
COMPOSANTS

Your expert in *Passive* and *Thermal* Components

ELECTRONIC COMPONENTS
DISTRIBUTOR

COMPANY

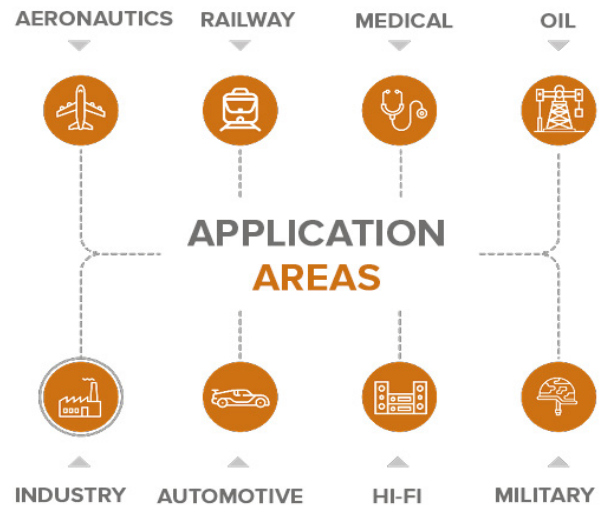

Established in Vendôme, France, and partnered with the second largest European Manufacturer of Ceramic Capacitors, **SRT-Microcéramique**, **Milton Ross Composants** specializes since 1882 in the distribution of passive components, thermal management solutions and casings.

“More than just products, real solutions in *Passive* and *Thermal* components”

Thanks to our exclusive partners, Milton Ross Composants offers a complete and cohesive range of solutions, composed of standard products with high added value, delivered in short lead times in competitive prices. We also offer custom solutions, designed by our engineers.

OUR STRENGTHS

- + **Short Lead Times**
- + **Small to Large Series**
- + **Custom Solutions**

CAPACITORS

- High Tension
- High Temperature
- High Frequency
- EMI Filters
- Severe Environments
- High Reliability
- High Precision (up to 0.05%)
- Non magnetic
- Equivalences with Exellia, Syfer, AVX...

FILM

Lecaniché
Capacitors

ELECTROLYTIC

FTCAP
FILM & ELECTROLYTIC CAPACITORS

CERAMIC

SRT
MICROCÉRAMIQUE
MLCC CAPACITORS

RESISTORS AND SHUNTS

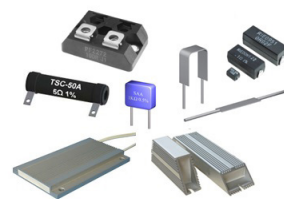

- High Temperature
- High Power
- High Precision
- Non magnetic
- High Tension

Resistor Technology

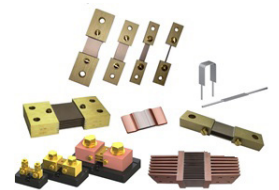

THIN AND THICK LAYERS

RIEDON

POWER RESISTORS

RIEDON Resistor Technology

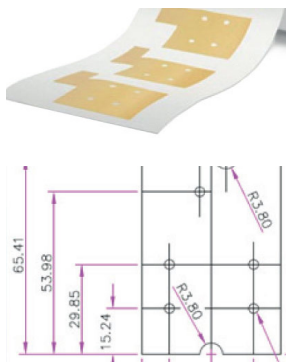

SHUNTS

THERMAL

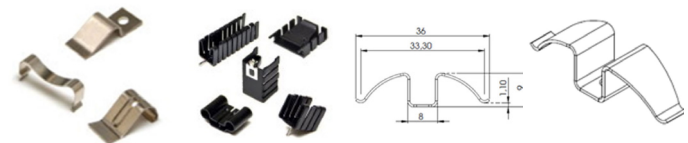

THERMAL INTERFACE

- Silicone
- Graphite
- Ceramic
- Polyester, polyamide
- Phase-change Polymer
- Deliveries as pre-cut rolls
- Custom Designs

FIXATION CLIPS

- Heatsink clips
- Custom Designs available

ACCESSORIES

ENCAPSULATING CASES

- Capacitors
- Coiled components (transformers...)
- Small and Medium series possible

HEAT SINKS

- Stamped
- Extruded
- Cold Forging
- Skived heat sink
- Die Cast Heat sink
- Heat Pipes
- Cold Plates

CONCEPTION SERVICES

Thermal
Analysis

Prototyping

Design
Optimization

ASSEMBLY PROTECTION

- Insulating pads
- Small and Medium series possible
